

Invitation

"Augmented Reality" GITA Seminar

in co-operation with CRC-SI and sponsored by we-do-IT

Appreciate the current state of "Dial-before-you-dig (DBYD)", discover the possible future of "Augment-before-you-dig (ABYD)" and learn about a proposed Framework for Virtual Reality as it applies to utilities and telcos. Participate in an open panel discussion about this emerging technology as industry thought leaders share their experiences. Have a drink and friendly chat with GITA members and guests.
